# VIII. MOL KUKKONIA CUP 2023 U19

## WELCOME

---

We are honored to host high-quality international sports event, and our team is committed to providing our guests with the best possible experience.

We understand the importance of youth teams competing at an international level, as it promotes player development and future success. By playing against strong teams from different leagues, young players can encounter new challenges and experiences, discover different playing styles, and take their skills to the next level.

We hope you have a great time during your visit and enjoy a fulfilling and memorable experience at our Academy.

Best regards,

**PaedDr. Krisztián Németh**  
Academy Sports Director

## ABOUT THE TOURNAMENT

---

We are pleased to announce the eighth edition of MOL KUKKONIA CUP 2023. The tournament is one of the most traditional U19 summer competitions in the CEE region as its roots go back to the 1980s. In 2015, DAC 1904 Dunajská Streda (Dunaszerdahely) with support of KUKKONIA revived the tournament with ambition to create an international competition that will enable U19 teams from various countries to compete and compare their skills and style in the environment that not only celebrates football as a game, but also promotes fair play and mutual respect.

## LOCATION

---

Welcome to the MOL Football Academy in Dunajská Streda, one of the best-equipped and most advanced training centers in Central Europe!

- Bratislava: 45 km (0.5 hour)
- Vienna: 95 km (1 hour)
- Budapest: 180 km (2 hours)

# MOL KUKKONIA CUP 2023

## TRAINING CENTRE

The MOL Football Academy complex has three new generation FIFA-certified artificial turf pitches, five pitches covered with natural turf that meet FIFA standards, as well as two double training pitches, all equipped with artificial lighting. Training sessions or matches can be recorded using the automated camera system installed on all the pitches. Some of the pitches are also equipped with under-soil heating, which keeps the conditions perfect in the winter months. The MOL Football Academy is a place where all fitness coaches can use their creativity and make hard work fun for the players.

### GROUP B

## RULES & REGULATIONS

**Age category:** Players born no earlier than 1st of January 2005

**Squad size:** 22 players + 5 adults

**Squad list:** Must contain names of all players together with date of birth

**Equipment:** 2 sets of jerseys (home & away) in which they will perform at the tournament

**Playing time:** 2 x 35 min.

**Tournament system:** Group stage matches will be played according to the match program (round-robin system)

Play – off matches for the final standing will be played based on the final standing in the group stage.

- Win – 3 points
- Draw – 1 point each team
- Lose – 0 points

Each match in the group stage is followed by 3 penalty kicks by each team, the results of these are counted in the 4th point of the list of Tiebreaker.

**Tiebreaker:** If two or more teams are equal on points on completion of the group matches, the following criteria are applied in the order given:

1. higher number of points obtained in the group matches among the teams in question
2. goal difference
3. higher number of goals scored
4. result of penalty shootouts after the matches

**Suspensions:** 2 yellow cards in the match results into suspension for the following match, red card in the match results into suspension for the following match, yellow cards are not accumulated

**Match rules:** Official UEFA and the Slovak Football Association rules

**Substitutes:** Not limited substitutes, but after half – time break the game can only be interrupted max.3 times because of substitutions.

**Referees:** Official Slovak Football Association referees

## LEISURE-TIME ACTIVITES

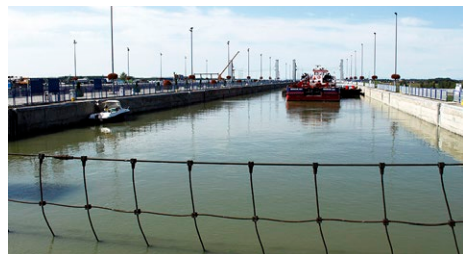

### MOL ARENA

The MOL Arena in Dunajská Streda is the football stadium of FC DAC 1904. The arena opened its doors to the public in 2016, and with a capacity of 12,700 it is one of the most modern football stadiums in Slovakia. The home matches of the yellow-blue team are a real fan experience, and fans from the entire Pannonian basin come to the matches here. Products with the DAC 1904 logo can also be purchased in the fan shop at the corner of the arena, the DAC store.

### The Gabčíkovo – Nagymaros Dams

The Gabčíkovo–Nagymaros Dams is a large barrage project on the Danube. It was initiated in 1977 of September between Czechoslovak Republic and Hungary. The project aimed at preventing catastrophic floods, improving river navigability and producing clean electricity.

## CYCLING ROUTES

Dunajská Streda is located in a region rich in natural beauties, and there are many cycling routes throughout the region. The local cycling routes can be a suitable challenge for both beginners and more experienced cyclists. They provide an opportunity to discover the natural treasures and learn about the cultural heritage of the region. You can also visit many beautiful and traditional villages along the cycling routes, where you can learn about local traditions.

## THERMAL PARK

The Thermal park in Dunajská Streda is a modern and comfortable bath & wellness centre that offers a variety of services. The facility is located in a unique environment on the outskirts of the town. Pools with thermal water, fun pools, pools for kids and a swimming pool are available for all visitors. It is an excellent place for active relaxation, both physical and mental regeneration, and perfectly spent leisure time. The modern facilities, comfortable services and beautiful surroundings ensure that a visit to the Thermal park will be an unforgettable experience for everyone.
